

Naval Company, Inc.

Doylestown, PA 18902-1208 USA

Phone: +1-215-348-8982

06-01-10

June 1, 2010: SHORT DISTANCE BLANKS - NOW AVAILABLE!

We now have:

EXTRA LIGHT LOAD BLANKS for shorter distance shots. Request a Shooting Distance Chart to determine if these are an ideal option for your kit.

EXTRA LIGHT LOAD BLANKS - ITEM # XLIGHT20

Email sales@navalcompany.com with your company details, contact information, your type of line gun application (lowhead dam rescue, transmission line construction, tug boat, etc) and request a shooting distance chart and price list.

If you already have a Bridger Line Gun, send us your serial number and we'll send you all the updates for your kit including a pdf version of the latest Owner's Manual (for the Model 85). Questions? ...Please ask. Thank you for your interest in our line gun.

Best regards,
The Staff at NAVAL COMPANY INC.
