June 30, 2010 Revision: INSTRUCTIONS & SHOOTING DISTANCE CHART

If you have a ***Bridger™ Line Throwing Gun*** kit, be sure you have the most up-to-date **Instructions**. To receive a PDF version of the most current Instructions, shooting distance chart or Owner's Manual for the Model 85 line throwing gun, please include in your email the following:

- (1) Your company name, address, telephone number
- (2) Your name and phone number (if applicable)
- (3) The serial number or date and location of purchase of your line throwing gun
- (4) Exactly what you want: Instructions, Shooting Distance chart and/or Owner's Manual (pdf)

Also, please let us know if you want to be on an email list for updates.

Lastly, we want to remind you to keep a copy of the serial number separate from your line throwing gun kit in case it is ever lost, needs a part, or is stolen.

Wishing you safe line throwing!
