December 30, 2008: Owner's Manual Updated

If you have a *Bridger™ Line Throwing Gun* kit, be sure you have the most up-to-date Owner's Manual and instructions. To receive a PDF version of the Owner's Manual and/or Instructions, please include in your email the following:

- (1) Your company name, address, telephone number
- (2) Your name and phone number (if applicable)
- (3) The serial number or date and location of purchase of your line throwing gun

Also, please let us know if you want to be on an email list for updates.

Lastly, we want to remind you to keep a copy of the serial number separate from your line throwing gun kit in case it is ever lost or stolen.

Wishing you safe shooting!
