NOTE: Pelican™ cases are recognized worldwide as the leading American-made protective case. They carry an unconditional lifetime guarantee from the manufacturer. According to Pelican™, they are "The World's toughest watertight equipment cases." We take this ultra high-impact copolymer case and have added a custom designed closed-cell foam interior - specifically for use with our line throwing gun kits.

IMPORTANT FOR PURCHASERS OTHER THAN GOVERNMENT: These line guns are considered firearms and must shipped to a Federal Firearms License (FFL) dealer in your state. Be sure to put the gun dealer's shipping address phone number & contact name on your PO form along with the name & phone number of the person whom the gun dealer should contact upon receipt. Then, have the gun shop fax a copy of their FFL to us at 215-348-5637.

WARNING: Do Not Remove line canister; line gun is considered an illegal weapon without canister!

We are here to help guide you in choosing the right supplies based on your specific needs.
