April 19-24, 2010: Line Gun at FDIC EXPO

The Bridger™ Line Throwing Gun will be on display at the Fire Department Instructors Conference (FDIC) in Indianapolis, IN from April 19-24, 2010! The FDIC is synonymous with world-class firefighter training and is universally recognized as the premiere fire industry conference and exhibition. The FDIC provides comprehensive training for today's serious firefighter and attracts top companies to showcase the latest tools and technology designed to save lives, all in one venue.

To see the line gun and learn more, visit Bill Tashjian of Hawill's Ltd. at BOOTH #3340.

For more information on the FDIC Conference / Expo, or to register, visit www.fdic.com.
