August 11, 2008: Pelican™ Case USCG Approved

Customers have requested a watertight plastic case option for the Bridger™ Line Gun kit and one is now available! Naval Company Inc is now offering a **Pelican™** case kit option that is United States Coast Guard (USCG) approved. The kit, known as item #CG85PEL has closed-cell foam interior that is custom cut specifically for the Bridger™ line gun kit. This sturdy waterproof kit box option allows for up to six (6) lines, additional projectiles and/or additional ammunition, small knife, hearing protection, shooting glasses or other items - if desired. In addition to the USCG approval, this case has the following certifications: IP67 (1 meter submersion for 30 minutes), MIL C-4150J, Def Stan 81-41/STANAG 4280, and ATA 300.

Pelican™ Case features include:

- ▶ Watertight, crushproof, and dust proof
- ▶ Easy open Double Throw latches
- ▶ O-ring seal
- ▶ Automatic Pressure Equalization Valve
- ▶ Fold down handles
- ▶ Stainless steel hardware and padlock protectors
- ▶ Custom closed cell foam interior fitted specifically for the Bridger™ kit
- ▶ Unconditional Lifetime Guarantee of Excellence from Pelican™
- ▶ Retractable extension handle
- ▶ 4 strong polyurethane wheels with stainless steel bearings

Bridger™ CG85 and CG85PEL line gun kit USCG Certification Number: 160.031/6/3
